### STRINGERS: NATURAL CHEESE SNACK FOR KIDS

Kids love them because they're fun to eat, Mums love them because they're a healthy and entertaining snack for the kids.

Stringers are 100% natural mozzarella. They are a great natural product and an excellent source of calcium for kids' teeth and bones.

### NATURAL CHEDDAR PORTION PACKS

Australia's best selling natural cheddar cheeses are packed in easy-tear-open portions of 20gm.

Portions are perfect for hotels, airlines and all large catering services who want to offer best quality, yet affordable quick meal snacks.

Bega portions have been supplied to many famous international hotels and airline catering businesses over the years.

## NATURAL CHEDDAR BLOCKS

Bega is famous for its long heritage in producing fine quality cheddar cheese. Bega's natural cheddar cheeses are available in Mild, Tasty, Extra Tasty and Vintage.

Each comes in a variety of retail pack sizes: 250gm, 500gm, 1kg.

## REDUCED FAT NATURAL CHEDDAR BLOCKS

So-Light and Extra So-Light appeals to those with modern lifestyles who want their families to eat healthier food but don't want to sacrifice any of the taste.

Bega's reduced fat cheddar cheese will satisfy the most enthusiastic cheese lover and its quality has been recognised by the Australian National Heart Foundation with its tick of approval.

## NATURAL CHEDDAR CHEESE SLICES

Natural cheddar cheese slices have been designed to make life simpler. Available in Tasty, Strong & Bitey and Extra So-Light Reduced Fat Tasty, these slices are the perfect size and thickness for sandwiches and grilling.

Both available in 12 or 24 slice packs, in a handy resealable flip-top fridge container.

## PROCESSED CHEESE SLICES

Individually wrapped slices are perfect fridge snacks at any time to suit different tastes.

Bega's traditional Super Slices product is available in a variety of pack sizes including 250gm (12 slices), 500gm (24 slices) and new bulk 1kg (48 slices)

Also available are Gourmet Slices and Black Pepper Slices.

## REDUCED FAT PROCESSED CHEESE SLICES

Bega's reduced fat individually wrapped slices are designed for people with healthy lifestyles and busy schedules. Bega Super Slims have been Australia's number one selling reduced fat slice for many years.

Super Slim Slices are 90% fat free, So-Light Slices 50% reduced fat, Super Light Slices 97% fat free.

## CANNED PROCESSED CHEDDAR CHEESE

Canned processed cheese, available in 340gm, 226gm, 113gm and 56gm sizes, is unique because it requires no refrigeration. This cheese is very popular where refrigeration may be unreliable or unavailable, but where good cheese flavour is still desired.

Despite the cheese not requiring refrigeration, it has an extended life of up to 24 months while still in the can.

All Bega Cheese products are Halal certified
